Re: Budget Reconciliation Bill language

Dear Governor Brewer:

We are writing to ask you to sign HB 2199 into law. The bill, sponsored by Representative McLain, received widespread support from both the Legislature and the State's business community.

The Arizona Corporation Commission continues to work on improving the efficiency and effectiveness of the services it provides. HB 2199 makes a number of statutory changes that will eliminate confusion and ensure consistency, to the extent possible, in the State's corporate and limited liability company laws.

Enclosed is a summary of the bill's main provisions. Thank you for your consideration of this matter.

Sincerely,
